Extra-curricular clubs at Greenshaw 2025-26

GREENSHAW
HIGH SCHOOL

At Greenshaw High School, we are committed to providing our students with enriching opportunities that extend beyond the academic curriculum.

Participating in extra-curricular clubs enables students to develop new skills, enhance self-confidence, build meaningful friendships, explore interests, and cultivate leadership qualities.

Our clubs are available before school, during lunchtimes, and after school. Please look at the timetable and if you would like to attend a club, please sign up by clicking on the 'Clubs' button on the Frog home page.
