for Year 7 and 8

Year 9 Football - 3-0 win v Glenthorne

On 21st of September, the Year 9 football team had a fantastic win away against Glenthorne. Manager and coach, Mr Carter, commented on the “remarkable start to the new season. Goals from Josh, Shaun and a stunning 20 yard strike from Liam sealed a confident three points!” Mr Carter is looking forward to an excellent season for the team.

Year 10 rugby - win 36-7 v Graveney

Greenshaw made the perfect start to their 2011 league campaign with a convincing victory over Graveney School. On paper this looked like a difficult opening game as Greenshaw were narrowly defeated last year, but after a solid start, it was not long before the tries started to flow. Tom opened the scoring on the end of some great build up work from the forwards. Paul added to the score with his first of two tries which Luke converted. Graveney came back into the game as a result of some poor tackling from Greenshaw before tries from Jack and Adam eased the nerves.

22-0 soon became 37-7 just after half time. Jack and Paul completed their brace of tries each and Luke added both conversions before it all became too much for Graveney and the game was cut short due to injuries.

It was a pleasing start to the season with plenty to build upon for the coming weeks. A special mention has to go to Jay, on his debut, who made an immediate impact with his physical runs and ferocious tackling.

U-15 and U-16 girls' football

The girl's U-16 and U-15 teams have made a fantastic start to the season by making it through to the second round of the National Cup.

The U-16s won a dramatic game against Prendergast Ladywell Fields College on penalties. The game finished 3-3 after extra time, with two goals from Amy and a last minute equaliser from Joanne. The team won 3-1 on penalties, with Rhea, Amy and Georgia scoring.

The U-15 team emphatically beat Graveney School winning 6-1. The girls started strong and Graveney could not keep up, with our fluid pass and move football. The goals were scored by Chloe (3), Lilly-Mae (2) and Emma (1).

Both teams are eagerly awaiting the next round. Good luck, girls!

U-15 team after their superb win.

U-13 girls' football - lose 4-0 v Fullbrooke School, but win the Cheam High Tournament

U-13 Cheam High Tournament winners.

The U-13 team played their first game together against Fullbrooke School losing 4-0. The score line did not tell the story of the game, with Greenshaw dominating possession in the second half and having chances, but defensive lapses of concentration cost us the game.

The team are looking to build on their first game nerves and with commitment to training, have a solid base to work upon.

On a positive note, the U-13 girls team won the Cheam High Tournament against seven other teams and were presented with their trophy and medals by Kylie Davies, Chelsea FC Ladies' captain.

Year 7 netball - first game loss for the A and B team

The Year 7 netball teams got off to a bad start with both teams losing in their first games. After such enthusiasm during training and a mass number of girls wanting to be a part of the teams, it was a shame that both teams were defeated. Looking forward and with more training, there is prospect for the team to come fighting back in their next few games.

Year 8 football team lose against Glenthorne

Year 8 football had a very poor start to the season when they were beaten by local rivals Glenthorne 6-3.

Mr Devenney was not happy with the defeat after such a good season with the boys last year. Let's hope this is their only defeat of the season.

Year 8 and 9 netball teams get themselves back on track with both teams winning against Beacon

After two frustrating defeats, the Year 8 netball team had a fantastic 10-2 win against Beacon. Following such a good season last year, the Year 8s are working hard at training and are hoping they can keep the wins up and still finish top of their league.

Keep going, girls!

Just like the Year 8 team, the Year 9s had two defeats at the start of the season. After restructuring the team and adding new players, the team achieved their first win of the season 12-5 against Beacon.

Year 9 football - lost 7-2 v Glyn

The Year 9 Greenshaw team lost to Glyn 7-2 in a game of two very different halves. With Greenshaw conceding two early goals, it was an uphill battle to half time, going in 6-1 down. However, with a little confidence booster and self-belief, Greenshaw battled back in the second half, scoring first and only conceding one further goal, leaving the score at 7-2 on the full time whistle.

Poor start to the season for Year 7 football team!

The Year 7s were on the wrong end of a 9-0 score line in their first fixture of the season against Glyn. A couple of absentees meant a late reshuffle of the starting XI by Mr Jones, forcing some players to be put out of position.

The task facing Greenshaw looked even harder when casting a glance at the Glyn team, many of whom had obviously been eating their spinach, such was their size advantage. This translated into them striking the ball with power and precision from outside the box which led to several of the goals during the course of the match. Greenshaw were impressive in their efforts to keep running until the final whistle and they can rest assured that they are highly unlikely to face a team of Glyn's calibre again this season.

5 - 0 victory as GHS Year 10's continue their charge to world domination!

Through superb passing, clinical finishing and a tight defensive line, GHS ran out comfortable winners. After a number of misses at the start of the game, Sam and Charlie kicked off the scoring with Max adding another from outside the area.

The game was secured with two spectacular crosses/shots that lobbed the goalkeeper from Man of the Match, Conal. As Greenshaw pushed on for more goals, they hit the cross bar/post on numerous occasions, but more goals weren't to be. A well deserved victory!
