

My Child - MIS Documents (Progress Reports)

The last area is MIS Documents. MIS stands for management information system, and is where the school stores student data and information.

The data that is displayed includes:

- Filter displaying the start and end dates that the MIS Documents data is based.
- MIS Documents

In the example below, we can see that for the child (Abigail Sanders), that the MIS Documents data is filtering on a Start Date of the 01/06/2020 and End Date of the 22/06/2020 and populates a list of files within MIS Documents which were released within that time frame.

You can click on the name of a document to open it.

The screenshot shows the 'My Child' web application interface. At the top, there is a navigation bar with 'My Child', 'Help', and a search bar. Below this, the user is logged in as 'Abigail Sanders'. The main content area is titled 'MIS Documents' and features a filter bar with 'Start Date' set to '01/06/2020' and 'End Date' set to '22/06/2020'. A 'Filter' button is located to the right of the date fields. Below the filter bar, there is a table with the following data:

Title	Category	Date
Spring 2020 Report	Letter	10/06/2020

The 'MIS Documents' option in the left-hand navigation menu is highlighted with a red box and a red circle with the number '1'. The filter bar and the table are also highlighted with a red box and a red circle with the number '2'.
