Dear parents/carers,

As part of our strategy to improve communications, I am pleased to advise you that we will be moving to using our Frog platform for future communications. This will enable us to share information with you more quickly and efficiently and allow you to access reports, messages and data via the dedicated MyFrog app on your phone or other mobile device. It will also save parents - and the school - time and money.

You will be able to view the following for your child(ren):

- Messages from the school
- Behaviour data
- Attendance data
- Lesson timetable
- Progress reports

What you need to do now

If you have not done so already, activate your parent Frog account. It is quick and easy to do. All you need is the email address that the school holds on record for you.

If you have already created an account, then ensure you have downloaded the MyFrog app and signed in. Below, are two links which will support you on this:

Creating your Frog account:

Setting up and using the MyFrog app:

<https://www.greenshaw.co.uk/information/school-life/home-learning/myfrog-app>

If you are having trouble logging in, it may be because we do not have your current email and mobile phone number on record. Please email info@greenshaw.co.uk to update your details.

We hope that you will find MyFrog a great way to keep up to date with what is going on at school.
