Colleagues,

[www.sutton.gov.uk](http://www.sutton.gov.uk)

We have recently been made aware of a Facebook page, called 'Youth-Sutton', which looks like an official Council service page and which 'shares' information that we have been posting on our official. We've been advised to make it clear that this is not an official Facebook page. We'd be grateful if you could advise staff and students that this 'Youth-Sutton' page is not supported by or affiliated to the London Borough of Sutton in any way.

Our official social media links are:

<https://www.facebook.com/SuttonYouthService> or <https://www.facebook.com/suttonyouth>

<http://www.twitter.com/SuttonYouth>

Google+ <https://plus.google.com/108822150733892995163> ;

Our Council hosted youth services website is at <http://www.suttonyouth.org>

Thanks for your support with this.

Yours sincerely,

**Colin Stewart**
