## EXAM CONTINGENCY DATE - Wednesday 29 June 2022\*

\* Please be aware that The Joint Council for Qualification (JCQ) has introduced a contingency date for all exam boards in the UK. In line with Ofqual's exam system contingency plan this is a day specifically set aside, should sustained national or local disruption arise during the June 2020 examination series. If disruption happens, the GCSE and/or A level examinations would be taken either for the first time or again on that day, in which case it is possible that timetable dates could be affected up to and including the contingency day. The contingency date for 2022 is 29th June. Therefore we would advise not to be at any distance from school before 30th June 2022.
