

# Aspire Curriculum

We want all Greenshaw sixth form students to be the best they can be, to aim high and to leave with the knowledge and skill set needed to succeed as leaders in the workplace to make positive contributions to society.

<b>Ambitious</b>	Students have high aspirations for their academic success at A Level and in their career goals. They aim to be future leaders in their chosen sector.
<b>Socially Responsible</b>	Students have awareness of what it means to be socially responsible. They understand important systems within society and work towards positive change.
<b>Persevering</b>	Students understand that failing is a necessary part of learning. They will not give up and have the tools to be resilient and seek help where necessary
<b>Inclusive</b>	Students work to promote equality, to celebrate diversity and to ensure all students can learn in a safe and positive environment
<b>Role Models</b>	Students acknowledge that they are role models for younger students. They demonstrate high standards and act with maturity at all times.
<b>Engaged</b>	Students are active learners.. They are keen to succeed, understand the importance of being pro-active in taking responsibility for their own success and put in maximum effort.
