EXCELLENCE

GREENSHAW HIGH SCHOOL

GREENSHAW HIGH SCHOOL

PROSPECTUS

OUR VISION

We are absolutely committed to achieving excellence.

In our school this should always encompass the twin aims of high wellbeing for young people and adults, alongside academic excellence.

Maintaining both of these is our core purpose.

We are a proud member of the Greenshaw Learning Trust, a 'family' of like-minded schools that collaborate to provide mutual support, share their good practice and learn from each other, whilst retaining and developing their own distinctive character.

A WARM WELCOME

Welcome to Greenshaw High School, a school at which I am very proud to have worked at for the last two decades. I am delighted at how hard our students and staff work to ensure the best academic results while I am equally proud that we have happy students and staff in our school. Our school being successful is pinned on the twin aims of strong wellbeing and academic excellence. This is not an 'either, or' – both are central to day to day life at Greenshaw High School.

We aim to give our youngest students a firm foundation of knowledge, before their formal examination courses begin. We teach our students in Year 7 to 9 The Big Ideas that Shaped the World, a sequence of lessons that explains cultural, philosophical and political development from ancient times to today. Alongside this, students in Year 7 to 10 follow a reading programme that, alongside the English curriculum, develops our young people's awareness of a range of literary themes and voices. We strongly believe it is our

Nick House | Headteacher

PURSUIT OF EXCELLENCE

Lessons at Greenshaw are rigorous, lively and interesting. Students are taught by well-qualified specialist teachers whose aim is to stretch each learner, and give him or her the chance to experience success.

All students are expected to aim for excellence, to strive for their best and to achieve the targets that are set and communicated to them and their parents. There is excellent provision for children with special needs, some of whom are supported by our learning support and speech and language departments. Students who attain highly are provided with extension work, and often have the opportunity to attend a range of activities in conjunction with local universities.

Specialist facilities allow us to make use of the latest technologies and resources. We have an all-weather sports pitch, music centre, studios for art, drama and dance, a gymnasium, a sports hall equipped with an eight lane climbing wall, a multi-gym, a number of IT suites and specialist science laboratories. In addition, all classrooms are equipped with computers and interactive whiteboards. All students have their own user area on the computer network and we are a lead school in the use of our managed learning environment to support extended learning at home.

“ THE SCHOOL LIVES OUT ITS **VISION OF EXCELLENCE** EVERY DAY. THEY SUPPORT PUPILS TO **ACHIEVE EXCELLENT OUTCOMES** AND PROVIDE **HIGH-QUALITY SUPPORT** FOR THEIR **WELL-BEING**. ”

OFSTED

I JUST WANT TO SAY A HUGE **THANK YOU** FROM THE BOTTOM OF OUR HEARTS FOR THE EDUCATION YOU HAVE PROVIDED FOR OUR SON. GIVEN THE **CHALLENGES** ALL THE CHILDREN FACED IN THESE PAST FEW YEARS, WE COULDN'T BE HAPPIER WITH OUR SON'S GCSE RESULTS. WHEN WE FIRST HEARD YOU AT OPEN EVENING, YOU TALKED ABOUT HOW YOU **CELEBRATE** EVERY CHILD'S **SUCCESS**, AND WE FEEL THAT HAS BEEN THE CASE. WE WANT TO TAKE THIS OPPORTUNITY TO THANK EVERY SINGLE STAFF MEMBER WHO MADE AN **IMPACT** AND GOT HIM THE RESULTS HE DESERVED.

A PARENT

STAFF **ENCOURAGE** PUPILS' WIDER DEVELOPMENT. IN TUTOR TIME, PUPILS LEARN ABOUT '**BIG IDEAS** THAT SHAPE OUR WORLD'. THEY ALSO READ **DIVERSE** HIGH-QUALITY NOVELS AND NON-FICTION, WHICH **SUPPORTS** THEIR **WIDER DEVELOPMENT**.

OFSTED

OUR CURRICULUM

We accept our social responsibility to educate our students about important areas that do not fall neatly into subject categories, but are critical to young people becoming empowered citizens and intellectually capable. This includes the books we read in tutor time, and the programme we call 'The Big Ideas that Shaped Our World'.

The Big Ideas That Shaped Our World is a programme created by teachers at Greenshaw, which aims to broaden students' knowledge of the world and its history. At the same time, it develops students' vocabulary and introduces them to ideas, people, works of art and cultural artefacts that they might not otherwise encounter. We believe that all of these things are fundamental to the education of our young people to enable them to become an informed and well-rounded member of society.

Through the programme, our students can experience the sheer range of fascinating concepts that are available – in history, philosophy, religion, geography, art, science and other subjects – and armed with that information they will be able not simply to follow someone else's interest or passion, but rather to discover what it is that they are passionate about, for themselves, and then be able to explore it – with all the excitement, satisfaction and joy which that will bring.

Our students will also be able to discover more fascinating information about the ancient world from visiting lecturers – leading academics from some of the UK's top universities have been invited to speak to students across a variety of topics.

SUPPORTIVE ENVIRONMENT

Ensuring that all students are happy, and feel safe, is our most important objective. Only when youngsters feel secure and confident will they be able to take risks with their learning, and make the fastest progress. Therefore, care and support are the first focus at Greenshaw.

All children are members of a tutor group when they first join the school. Students see their form tutor each day, and they are the first point of contact for advice and support. Form tutors support the members of their form group in many ways. These include; academically mentoring their tutees at particular points of the year, for instance when school reports are issued; supporting students with course choices for GCSE and A Level; offering pastoral support with any issues being experienced; and supporting youngsters in all ways possible to ensure they are happy and successful in school.

Beyond each student's form tutor there is a Head of Year and Deputy Head of Year. We aim for one of this pair to be a non-teaching member of staff, which gives greater flexibility for families to contact us during the day, and for us to respond speedily.

We also have a dedicated team of learning mentors through our department known as The Junction. These specialist staff can support youngsters with a wide range of needs, such as friendship issues or bereavement.

STAFF QUICKLY **IDENTIFY** AND **SUPPORT** PUPILS WHO STRUGGLE WITH THEIR LEARNING. TEACHERS PROVIDE PUPILS WITH **STRONG SUPPORT** AND **ADAPTATIONS** IN LESSONS. THIS INCLUDES PUPILS WITH SEND, WHO RECEIVE **STRONG GUIDANCE** TO MAKE SURE THAT THEY **LEARN SUCCESSFULLY.**

OFSTED

PARTNERSHIP

We know from experience that the support of parents is of great importance to the success of their children. We send home frequent newsletters, and a vast range of information about the curriculum, homework, our reading programme and extra-curricular activities is available on our website.

Assessment information is shared with parents each term, by means of reports and meetings with subject teachers, and we welcome parents' questions, comments and suggestions. Parents have access to their child's attendance and assessment information through the school's managed learning environment, Frog.

We welcome the opportunity to meet with parents and carers to promote their child's progress and invite parents and carers to attend parents' evenings to speak with subject teachers. In Year 7, two evenings are held during the academic year in order to cover all subjects.

THE BEST COMMUNITY OF TEACHERS THAT I COULD EVER HAVE HOPED FOR. THE PATIENCE, **CARE, LOYALTY** AND **COMMITMENT** OF A GROUP OF PEOPLE WHO HAVE WALKED ALONGSIDE MY SON THROUGH THE TRIBULATIONS, **CHALLENGES** AND **SUCCESSES** IN HIS TIME AT THE SCHOOL.

A PARENT

STUDENTS **KNOW** AND **TRUST** THAT STAFF HELP THEM **KNOWLEDGEABLY** WHEN THEY ARE CHOOSING OPTIONS, DISCUSSING THEIR **PROGRESS**, OR DEALING WITH ANY LEARNING OR PERSONAL PROBLEMS.

SIXTH FORM OPPORTUNITIES

THE SIXTH FORM OFFERS A **WARM, WELCOMING** AND **POSITIVE** ATMOSPHERE, WHERE STUDENTS ARE TREATED WITH **RESPECT**. THE STUDENT-TEACHER RELATIONSHIP IS **FRIENDLY** AND SIXTH FORM STAFF ARE ALWAYS READY TO **HELP**.

YEAR 13 STUDENT

Greenshaw's Sixth Form gives young people the chance to develop as independent, responsible and self-disciplined young adults. Students studying in our sixth form go on to study at some of the most prestigious higher education institutions in the country, both in established traditional courses and also increasingly in the creative arts.

The majority of students study three A Level qualifications, with assessment being taken at the end of Year 13. The Sixth Form has grown significantly in recent years, and has enjoyed considerable success, having been in the top fifty England schools for value added since 2013.

Greenshaw Sixth Formers follow a programme of personal, social and well being education, as well as a route to success tutorial programme designed to develop independent study skills. This programme follows the A Level mindset approach whereby work ethic, attitude, effort and practise are promoted and encouraged as tools needed for success and tutors support and guide students through this programme enabling them to be successful learners with excellent outcomes. Even detailed advice about careers and further or higher. There is specialist study accommodation for students in our Sixth Form Centre, along with dedicated ICT resources. A separate Sixth Form prospectus is available on the school website.

ENRICHING THE CURRICULUM

In addition to excellent academic teaching at Greenshaw, we have a strong commitment to extra-curricular activity and continue to access a wide range of learning beyond our site. Our curriculum is enriched by activities that make Greenshaw a dynamic and exciting place to learn. There is an extensive programme of educational visits offered to students from Year 7 to Year 13 that includes a ski trip, field trips to Iceland, history trips to the battlefields of France and Belgium, a classics trips to Athens, and a languages trip in Year 7 to Boulogne.

Trips to museums, art galleries and to the theatre to see exhibitions, plays and dance performances enhance students' understanding of their learning in school. Visiting experts such as lawyers, professional dancers and journalists bring their knowledge of careers and employment into the classroom. The Duke of Edinburgh scheme is hugely popular, supported by regular meetings in school and expeditions accompanied by teachers.

During the course of each academic year, students have three curriculum enhancement days. These days are an amazing opportunity for students to take part in activities that extend beyond the curriculum and introduce them to develop new skills, knowledge and experiences.

The school has an expedition programme for Sixth Formers. Teams of students work together to plan and fund-raise for challenges on other continents. Recent expeditions to Zambia, Nepal and Ecuador have given students opportunities to meet people across the globe and understand the issues facing them.

Greenshaw's curriculum aims to provide an inclusive, diverse and rich experience to equip young people with the knowledge, skills and capacity for growth that they will need in the future.
