

## Year 7 & 8 Homework Information

At Greenshaw, we know that homework helps our students become successful, lifelong, learners. We have designed our homework in Years 7 & 8 so that it:

- Consolidates and extends student knowledge
- Is the same every week to build positive, consistent, routines
- Fits into a 4-day week to allow time for other family and extra-curricular activities

### What we set and when:

Please read [this document](#) carefully as it details the content and schedule of homework for Years 7 and 8.

### Digital access:

Please [see here](#) for instructions on how to log in to the digital homework platforms. All homework is set on Frog and from there, students can access the resources required to complete the homework. Consequently, students must be able to access the internet from home, using a tablet or chromebook/PC. If this is an issue, please contact the Head of Year for support.

### Supporting your child:

Homework is the responsibility of all parties: student, family and school. We encourage parents to monitor their child's homework closely. English, Maths and Science have Parent Platforms that make this easy (follow the links below for more details) but by logging in to Frog using your child's school GoogleID, you can access any part of their homework at any time.

- [A parent's guide to Sparx](#) (Maths and Science)
- [Seneca for Parents](#) (English)

### Homework Catchup:

If students fail to complete their homework in a given week, we will direct them to a catch up session on Friday after school. This is compulsory and the goal is to find out what went wrong and prevent it repeating the next week. Initially, once the problem has been identified and ironed out, students will be sent home but if the issues persist, students will be required to stay and complete the homework in the catchup session before they are dismissed.

If you have any questions about homework, please speak to your child's tutor or the relevant subject teacher in the first instance.

Thank you in advance for your support in this vital element of your child's education.
